

Martensdale Community Church Foreign Outreach Missions Statement

We, the body at Martensdale Community Church (MCC), believe that the missionary task God has mandated in His church, is to make disciples of all the nations. By His grace and in His power, the commission can be performed.

We believe that we can best serve the Lord in fulfilling “The Great Commission” by consistent prayer, by giving lovingly, sacrificially, and by teaching, training and supporting those from this local body who would be willing to give of themselves by taking the gospel message to the lost world.

We fully believe that Christ’s instruction and Paul’s example is to take the gospel message to those who have not yet heard. We believe that in most every country of the world there is a gospel preaching church established, therefore we will focus our attention on that area of the world we think is least evangelized and least established for the kingdom. We believe that area is in or near the 10/40 window, although other parts of the world will be considered as specific missions are brought to our attention. Our efforts, our commitments prayerfully and financially will be primarily toward that area of the world. We believe this to be the last frontier of the nations to be reached before Christ’s return; we believe that as a church that we will be in God’s keeping in focusing on that part of the world.”
