PRAY FOR OUR MISSIONARIES

Ransoms – Please be praying that God would allow them to return to the place and people they minister to. Pray that God would give them His peace and joy as they wait for His timing and direction. They are striving to bring God's love to life in one of the world's least reached market-places.

Schnoors – The lockdown in their country has partially ended. Pray for them as they re-start their language training.

Ericksons – The Erickson's arrived back to the States on April 21st and are currently sheltering-in-place in a Chicago suburban area. Ethan and Kade are scheduled to arrive back to the U.S on June 13th. Additional details are in this month's Messenger.

Nesbitts – They serves in Central Asia. The lockdown continues but will hopefully be ending soon. Their church body continues to meet via Zoom. Pray for wisdom in leading the church during this time and pray that they would serve those in need in their body and community.

Frazers – The Frazers are working to reconnect with students they have not heard from. Pray for wisdom and creativity as they work at campus ministry without a campus.

Pandey – Jai is trusting God through the pandemic and asks that we pray for the children who have had to return to broken homes due to government orders.

Torreys – There are increased restrictions due the pandemic, including severe fines and strict enforcement by the government. Pray for people there to hunger for truth in the midst of all that is happening in the world.

Simmermans – The Simmermans are currently stateside but work continues in Lesvos. Pray for their team as they minister via Zoom to new believers. They have had to close their outreach center and are praying for wisdom on what ministry will look like in the ever changing climate. Pray for the Simmermans as they adapt to being a family of four and as they mourn the death of Melanie's father, who passed away in March.

Trcas – They serve with EFCA ReachGlobal by leading personnel in Budapest, Hungary and Europe while currently completing doctoral courses at Trinity International University (TEDS). Pray for them as they prepare for and participate in their son's wedding under social distancing guidelines. Pray also for new ministry avenues and learning curves as they learn on-line communication and ways to stay in touch with their children around the globe.

Sunday Service Bulletin

Now to him who is able to do far more abundantly than all that we ask or think, according to the power at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen.
