PRAY FOR OUR MISSIONARIES

Evangelical Chaplain Ministries - They are locked down and not able to carry out their ministry in the way we normally do. But they need to be ready to go when the time comes that the door is opened wide. Pray that those they minister too will find their strength and hope in the Lord.

Ransoms – The flight back to their mission field has been cancelled. They are currently not allowed to return because the government has suspended their residence permit. Pray for them as they make hard decisions without knowing when they will be able to return.

Schnoors – Restrictions have started to ease and they are thankful for continued health and for local connections they are making.

Ericksons – The Erickson's arrived back to the States and are currently sheltering-in-place in a Chicago suburban area.

Nesbitts – They serve in Central Asia. They are thankful that restrictions are easing and for God’s goodness to them during this time.

Frazers – They are weekly sharing a meal and God’s word with a group of about 30 people at their home. Pray for wisdom for them as they prepare for the school year that begins August 17.

Pandey – Jai is trusting God through the pandemic and asks that we pray for the children who have had to return to broken homes due to government orders.

Torres –Pray for people there to hunger for truth in the midst of all that is happening in the world.

Simmermans – Josh has been doing training and working remotely as a team leader for the GEM members still on the ground in Lesvos. Pray for them to be refreshed and renewed during their time in the U.S.

Trcas – They serve with EFCA ReachGlobal by leading personnel in Budapest, Hungary and Europe while currently completing doctoral courses at Trinity International University (TEDS). Pray for new ministry avenues and learning curves as they learn on-line communication.
